Cerrado del Aguila Golf & Resort is the latest project created and designed by the Developer, GRUPO C.

The urbanisation will be an enclosed private resort with a total construction of 1,344 units, which will consist of luxury villas and top quality apartments.

There will be placed around or within the magnificent golf course.

At the highest point of the urbanisation, it is planned to develop an exceptional "Golf Hotel Resort" offering guests panoramic views of the Mediterranean sea, the Mijas mountains and the golf course below.

golf academy

Cerrado del Águila Golf & Resort is situated in Mijas-Costa, next to the Racecourse "Costa del Sol". It has fantastic views of Fuengirola and the sea.

This golf course of 9 holes was inaugurated in May 2007 and it is going to have another 9 holes coming soon.

It has great installations to practice this sport: a putting-green, an approach area, 9 holes chip & putt and a covered driving range with a distance of 250 mts.

The golf course has the "Cerrado del Águila Golf School" with Miguel Navarro as Trainer of individual classes as well as in group, children, etc.
